March 2022

Dear Friends,

Two words that you have been hearing a lot in the church over the last few months is “call process.” Some of us might have questions but haven’t necessarily voiced them so far. Others may have an idea about what it means but haven’t tried to see if their perceptions are correct. For many of us, it means getting a new pastor for our congregation. But there might still be some mystery about exactly what’s involved. Some might say that we are looking to “hire” a new pastor. Keep in mind that a pastor is not hired to work for a church but is called by the congregation to serve that community of faith.

The responsibility of the call committee is represent our congregation in finding the best candidate possible for our pastoral vacancy. Their work is extremely important in the life of our congregation. Their work began at the beginning of February when the committee met with Pastor Christopher Mietlowski, Assistant to the Bishop for our region of the Synod (Eastern Nassau Conference) for an orientation meeting. The committee, chaired by Eric Juergens, has begun meeting to develop the questions that will be asked of potential candidates. The same questions will be asked for each candidate that the committee will consider. Candidates will be provided by the Bishop’s Office based on criteria that was established by the Mission Site Profile questionnaire results. That’s the questionnaire that many of you submitted to the Transition team last year. Candidates that Bishop Egensteiner submits for the call committee’s consideration are those that most closely fit the expectations from the Mission Site Profile. Only qualified candidates will be submitted to the call committee. The initial determination whether those candidates are a good fit for our congregation will be determined by the call committee. That initial interview might either be in person or on Zoom. Each candidate must be treated the same way as any other potential candidate. If all candidates are more local, the committee could decide to meet each candidate in person. However, if one candidate is located out of our vicinity and would only be able to meet via Zoom, any other candidates, even if they are a short drive away from Wantagh, would also have to meet the committee via Zoom.

If the committee decides to move forward with one candidate, that person would be invited to meet with the committee in person. The Synod would arrange for that pastor to preside and preach at a neighboring congregation so that the committee would be able to be present to witness how the candidate leads worship. This opportunity is only for the call committee and not open to other members of our congregation to be present. If the call committee decides to go forward with that candidate, the call committee would recommend the candidate to the church council. If the church council votes in favor of moving forward with the candidate, the congregation would have the opportunity to meet the candidate and their family, if they have one. A call meeting of the congregation would be set up for the congregation to vote on the pastor’s candidacy. A member of the Synod would chair this meeting. If our congregation votes in favor of issuing a call to the pastoral candidate, the candidate is given an opportunity to consider whether to accept the call.

The choice of whether to call a candidate is entirely up to the congregation. At any point in the process if the call committee, the church council, or the congregation votes not to proceed with the candidate, the Synod will provide the call committee with new candidates. The Synod will not put any limitations on this process and wants to be sure that the pastor that is called to our congregation is one that we feel is the best match for what we are looking for.

Many people have asked me how long this process might take. I don’t have an answer for that question. I hope that you will let the process proceed as it is intended to. We ask that you not try to compromise the integrity of the process by asking the call committee how things are proceeding. The work of the call committee is intended to be confidential so as to protect pastoral candidates from having their interest in our congregation revealed to their current congregation.

I am confident that the Holy Spirit will guide our decisions and lead us to our next pastor.

Therefore, whatever age we are and however little we possess, good planning encourages us to make a Will. With a Will, so many things can be accomplished. Please consider Christ Lutheran as part of your family to be remembered. It is a way to witness your love for our Lord, and to continue to keep Christ Lutheran strong for its future. If you need help with this, please call Pastor Krahn at (631) 720-6179.

THRIVENT FINANCIAL

To All Thrivent Members: Be sure to check if you have Choice dollars! You can direct these to our Church, the Christian Nursery School, or any charitable organization on Thrivent's register. Don't lose out on the chance to direct Thrivent's money to a cause you believe in!**

CLC HISTORY

With the Parsonage renovation nearing completion, we're reminded of our very first large-scale renovation project.

On June 7, 1953, a groundbreaking ceremony was held to mark the building of our current Sanctuary. The "new" Sanctuary was built right next to the "old" (which you may recognize now as our thrift shop). Construction was completed on February 7, 1954.

Incredibly, the larger Sanctuary allowed for our congregation to more than double in size. Parish records show that confirmed members increased from 205 to 416 in just one year! Our Sunday School also increased in enrollment exponentially. At its peak, Christ Lutheran had 777 Sunday School students, and 84 teachers.

Though times have changed in so many ways in the last sixty-eight years, our Sanctuary remains a place of peace and hospitality for all in our community. It is our full confidence that the Parsonage renovation will soon bring a new Pastor to call it home, and with that, many new faces who will find their spiritual home here at Christ Lutheran.

PROPERTY REPORT – MARCH 2022

Our **Aging Retiree Group** continues to perform the maintenance and improvement items on the “Office” To-Do list that we can accomplish ourselves. Our recent activities have included:

- We have continued our “Sanctuary Side” project to **convert all our florescent fixtures to LED**. We are also experimenting with “**LED Engines**” to use in the Usher ceiling fixtures in lieu of purchasing new fixtures and dealing with a patch-up issue. We have completed the Room 2000 areas, the Loggia, Narthex, Library and Altar Closet, all the Room 10 areas, the Thrift Shop, Room 30 Bathroom/Hallway, the 10/20 hanging fixture, and new hallway ceiling fixtures incl. spackle and paint.
- We installed an on-hand new 10Yr. Smoke detector in the room 30 hallway replacing an old defective one.
- We removed the lawn Christmas tree lights and Star on a warmer day. We have also gone through all the lights for bad sections/bulbs etc, and returned them to storage for next year.
- We serviced another two “**needs battery**” **hands free soap dispensers**. We now know to dilute the thick soap, which is causing it to coagulate in the nozzles/pumps and causing premature battery failure. By diluting the soap, we expect to keep them in running condition much longer. We are looking into a new “thinner” product and have placed “Dilute” signs near the dispensers for the cleaning folks.
- We thank Craig and Vinny for cleaning up the snow at the curb cutouts, the Garbage area, and the Thrift Shop shed. We have also uncovered that some “Concrete Bumpers” have been moved south by the plow, away from the lot and their anchoring pins. We will restore them as the weather improves and time permits.
- We replaced a missing light cover in a loggia ceiling light. We will replace all six to brighten the area, as time permits.
- We investigated the low Sanctuary heat on the Annual Meeting Sunday and uncovered the Fan Belt on the North unit had come off. We installed a new one and adjusted it. The South unit was fine.
- We swapped out the Sanctuary Entrance door cylinders for a better key locking operation.
- We tightened a loose stairway railing to Room 30.
- We were “Twice” asked to unplug a toilet in the main floor Ladies Rm.

Nursery School News

Winter seems never-ending as we got bombarded with snow, snow, snow! Love kept us all warm and cozy in the classrooms with all the hearts and Valentines Day cards and crafts the children made! All the children participated in a Valentine's Day party where they enjoyed some sweet treats and passed out cards to each other.

Music and Movement classes are in full swing. The children are loving the time spent using instruments, singing, dancing and moving their bodies to the beat of the music.

The children were very busy this month learning all about hibernation and our friend the groundhog. We made some great predictions about whether or not the groundhog will see its shadow and if winter will end early this year. The four-year-olds learned what a prediction is and how to make an educated one.

February continued with the celebrating of the Chinese New Year. The children learned that the dragon and the color red bring good luck. 2022 is the Year of the Tiger. The four-year old class made drums and dragon masks and marched down the hall as they shouted "Gung Hay Fat Choy!"

With Dental Awareness month also taking place in February, the children learned how important it is to care for your teeth. We spoke all about how important it is to limit sweets, eat healthy and brush, brush, brush!

All that brushing is getting our smiles ready for picture day! Picture day will take place in March this year and we are so excited to show off all those beautiful smiling faces.

We welcomed a special guest to the nursery school in February, Karen Kerge. Karen is an author who made our Nursery School her very first school stop on her book tour! The children loved listening to the story of "Betsy the Diva Dog" told by the author herself! The children had the opportunity to purchase an autographed book, which also came with a "paw-tograph" from Betsy too!

LSA day is on Sunday, March 6th this year. The children are looking forward to LSA Week, which is full of fun projects and activities that promote school spirit.

Don't forget it is open enrollment for the 2022/2023 school year. Feel free to call the Nursery School office at 516-679-8425 or email us at cnstdirector@clcwantagh.org for more information or to set up a tour. Also, please visit our website <https://clcwantagh.org/cns.html> to get more information on the classes we offer. Our classes are filling up quickly this year, so please don't wait!

Starting at the end of March we will have open enrollment for Summer Program. It will run from July 5th– July 28th. More information will be found on the website as it gets closer to registration.
