September 2021

Fellow Minister:

Today I am thinking about how happy I will be to see everyone once again at worship, now that most summer vacations are behind us. For many of you, this is the first time you have gotten away for a long time. I hope that those of you who went out of town had a wonderful time.

Fall is an exciting time at Christ Lutheran Church. We will be having Confirmation classes starting once again and hope to be able to restart Sunday School. Our choirs will be rehearsing, and our Nursery School will be beginning. Then on September 24 and 25 from 9 a.m. until 3 p.m., we will have our annual Church Fair. Once again, it should be great, and I am really looking forward to participating.

The work of refurbishing our parsonage will begin in earnest in October and should be completed in early December. The parish assessment work is currently being completed and should be sent to the MNYS in a few weeks. After that, our call committee will be ready to receive candidates for our next pastor. I hope that we will be blessed with our next pastor the early part of next year.

During the fall, I am hoping to meet in small groups with every family of Christ to discuss both our present and future ministry. It is essential that you will be willing to join with me. It is a large undertaking on my part, so I welcome everyone's cooperation to make these meetings successful. Each meeting will last about 45 minutes.

As always, we gather each week at 9 a.m. to hear God's word, receive the Sacrament, and to show our love and thankfulness to our God. Let's all of us be faithful and attend every week.

God loves you and so do I,

Pastor Krahn

August Church Council Highlights

Both will be passed on for review by the congregation at a future time, as we proceed with our process of transition to our next called pastor.

The 25th Annual Fall Country Fair will be held on **Friday, September 24th and Saturday, September 25th from 9 am to 1 pm.** See notice further down with more details.

Members and visitors are encouraged to complete Suggestion slips for the Suggestion Box in the Narthex (front vestibule of sanctuary.)

Sunday School needs at least two (2) teachers. On Tuesdays, Joan Gagnon joined the gals with folding and cleaning. On Fridays, Vinny Ciro is now helping. We are blessed with God's caring for this ministry every week.

We are glad to announce that Saturday, September 4, Carol and Linda will be returning to their monthly routine.

BEQUESTS

Blessed To Be a Blessing

We have each been blessed by God to be a blessing to others both during our lives and after them. One important way we can continue to be a blessing to the church beyond our lives is by leaving a portion of our estate to Christ Lutheran through our Will. Those with children are encouraged to consider leaving at least a Biblical tithe (a gift of 10%) of their estate. Others might well bless Christ Lutheran with a larger remembrance. For more information, please speak to Pastor Krahn (631-720-6179).

Every Moment an Opportunity

If one lives to be 70 years of age, the average person spends:

- 20 years sleeping
- 20 years working
- 6 years eating
- 7 years playing
- 5 years dressing
- 1 year on the telephone
- 2 ½ years in bed
- 3 years waiting for somebody
- 5 months tying shoes
- 2 ½ years for “other things”

Does “other things” in your life include some time for participation in serving on a church program?

While our daily lives may have about them a certain “sameness,” still, Christians affirm that every moment is creative by how we experience and respond to this new moment. Within every moment of this day, God is about his creative activity and is presenting us with occasions for discipleship.

Time is on the most important gifts given us by God. God has given it equally to all. It is our responsibility to use it wisely and well. And we can do so by dedicating some part of it to some apostolic activity, organized within the frame work of our church.

CONGREGATIONAL PROFILE SURVEY

Dear Member;

The following survey is part of the Congregational Profile which must be submitted to the Bishop before any prospective candidates can be considered by our Call committee for consideration.

The purpose of the profile is:

. to provide information about Christ Lutheran church to the Bishop of our Synod and to prospective candidates, giving them an opportunity to decide whether they are compatible with the needs and desires of this congregation.

. to give the Council, Call committee, and congregation an opportunity to reflect on our strengths and weaknesses, and to consider what kind of pastoral leadership is needed for our congregation at this time.

The survey is long, and filling it out may seem tedious, but it is necessary to make sure the Call committee and Council are fulfilling the needs and desires of our congregation. Remember, this is YOUR church, and the pastor who will fill this office will be YOUR pastor. This is YOUR opportunity to be heard.

Please complete the survey and bring it or mail it to the church by April 14, 1986. Participation in the survey will be COMPLETELY ANONYMOUS. To insure this, we ask you to remove this page before returning the survey to the church.

Thank you for your cooperation.

Council Vice-president

PROPERTY REPORT – SEPT 2021

Our **Small Aging Retiree Group** continues to perform the maintenance and improvement items on the To-Do list that we can accomplish ourselves.

Our activities recently have included:

- We modified a new thrift shop cart to help in moving things around.
- We replaced a few Fluorescents on the education buildings main floor and reset others not functioning in the hot/humid weather. We changed the bulbs in the Sanctuary dark **screen light**, restoring the light. We Changed/reset three in room 10.
- We initiated the **painting of the Wrought Iron railings** as weather and traffic permits. The entrances at Room 2000, Sanctuary, Thrift Shop, and Steinbicker are complete. The “Pit” stair railings will be done before NS begins. We cemented a few wobbly stanchions into the walkways.
- Following the **discovery of “whitish spots”** on the bottoms of many Sanctuary chairs stacked in room 2000, we also uncovered others in the Loggia and the Sanctuary itself. We cleaned them with simple green and wipes and they seem to be clearing up. We completed the Sanctuary chairs when the NS was finished. Our analysis points to contributing factors of **damp weather clothes racks and lack of A/C need** for weekday activities and Sunday coffee hours. We reprogrammed the sanctuary A/C’s to come on for a half hour a day Mo-Sa to ward off a reoccurrence.
- We reprogrammed the **Sanctuary A/C’s** again after VBS changes. We restored the **fan belt on the North unit**, which had slipped off the pulley.
- We re-secured two **“Screen light” covers** that fell off in the Organ Speaker loft.
- We activated the **De-Humidifier in the Parsonage basement**. When it did not work, we ordered and installed a new one. We also replaced a chirping S/D battery.
- We ordered **2-new De-Humidifiers for the Steinbicker basement** after finding them not functioning. We removed the old units from their hallway shelves and moved them to the driveway for special pickup. We installed the new units.
- **With difficulty, we TWICE moved the large 18’ A-ladder** into the sanctuary to replace numerous high ceiling bulbs. **One bad ballast** was found and a new one was ordered. **We thank Craig** for making the change over to the new ballast.
- We had to cut off a rusted lock to get to the 18’ ladder, so we ordered **three new locks**, and got extra keys made, for the rear yard Gates and 18’ Ladder.
- **We thank Bob Hasteadt** for purchasing a **Solar/motion pole light for the parking lot**. We mounted it high on the entrance pole and trimmed bushes for better coverage. Bob had to return it when it got “flooded”, and we mounted the new one.
- We cut the July 4th marching banner pole to fit the new banner.
- **The corner power pole at Island and Wantagh is finally gone**. The last of our neighborhood’s critical power/telephone/cable services were transferred to new poles, just prior to the Parade, and after 4-years of our coaxing. Our thanks to the TOH for their escalation assistance. We installed a new pole “Hanger” for the Thrift shop sign.
- We **dried** the Steinbicker north **basement floor, flooded** following the 7/9 deluge.

- **We surveyed and discussed the parsonage refurbishment and provided an extensive document to the Transition team for consideration.**
- We uncovered a clogged condenser screen with no filter in the **Room 2000 A/C**.
- After scraping the thick fuzz off, vacuuming, and restoring the flattened vanes, the A/C was working fine. We **thank Bob Hasteadt** for purchasing a new foam filter.
- We cleaned the **Thrift Shop A/C filter** and vacuumed the condenser, restoring the full A/C capability.
- We disassembled and tightened up a couple of loose/wobbly **Altar Platform Chairs**.
- We restored (with tape, tie wraps, and hulas hoops) **the collapsed NS yard canopy**, needing another two days summer program use. We also made it stronger to hopefully carry them through September.
- As requested, we moved a file cabinet from the Pastors office into the Youth room.
- We installed new sliding parts in a **lower classroom vinyl window sash**.

Retiree Group

THINGS TO DO

See Roger, Bob R, Bill, Craig, or Bob H. if you can help:

- *Paint the Sliding Closet doors in the Gym South access area.
- ***Power Wash** the front Steinbicker stairway, north 10-20 wall, etc “greens”,
- *Scrape and Paint the white/bare **trim above the Library and 2000 kitchenette**.
- *Arrange to grow grass on the East side of Steinbicker. Stones to pit?, Topsoil?, Sod?, Labor.
- *Repair numerous **Cement issues** around the property. (Stairs, Pointing, Washes, loose items, price professional intervention?).
- *Prepare/Paint the outside **Room 20 North window** frame (Professional?).
- *Clean and refurbish the vinyl replacement windows all around, checking for smooth operation, weather stripping and locking capability. **(WKG)**
