## May 2021

Dear Friend:

I have been asking everyone who loves the Lord's church at Christ Wantagh to pray God's blessing on our church every day. Many of you have joined me in this most important endeavor, and it is bearing fruit. Our attendance has increased markedly since the beginning of the year. And many of you have increased your donations to the Lord's ministry.

Now that more and more of our members are being vaccinated, those who have not been attending church because of the pandemic should be returning. We miss you and you need to receive Holy Communion regularly and join our worship of the good Lord. Introduce yourself to me this coming Sunday at 9 am.

Please join me in prayer that at least two of you reading this will volunteer to teach Sunday School. Talk it over with God. With two teachers, you can take turns teaching our young children. Sunday School will take place from 9 am until 9:40 am so that the teacher can rejoin the service and receive Holy Communion.

We need to do major work in our parsonage getting it ready for the next pastor. This will cost tens of thousands of dollars. We are asking all of our members to make a generous contribution to help offset this expense. Recently one of our senior citizens gave our church a check for \$1,000 from the \$1,400 she just received from the government relief effort. We are grateful for her generosity. Please complete the pledge slip below and return it in your offering envelope. Also write "**Parsonage**" on your check when you make a donation.

God loves you and so do I,  
Pastor Krahn

### Parsonage Refurbishing Pledge

Over the next six months, I/we pledge a total of: \$\_\_\_\_\_ to the Parsonage Refurbishing Fund. We understand these gifts are to be over and above our regular offerings.

## **CLC Youth**

### **IT WAS TRULY AN EGGSCPTIONAL DAY**

On Saturday, April 3rd, on a beautiful sunny day, about 50 excited children scurried all over the lawn at church searching for the 1200 colorful Easter eggs that the Easter Bunny hid in the bushes, and lawn at CLC. Family and friends egged them on. Amid laughter and giggles, the children scrambled around and it is reported that every egg was found. Rumor has it that the Easter Bunny had a lot of help from his assistant bunnies from the Heron family. Much thanks to Jessica and her family for bringing back this wonderful CLC tradition and making it better than ever.

## THRIVENT FINANCIAL

### LOOKING FOR HELP FROM THE CONGREGATION FOR A JOINT WELCA/THRIVENT PROJECT

WELCA is planning to make Personal Care kits for Lutheran World Relief at a meeting in April. Items especially needed are bath-sized bars of soap, adult toothbrushes in original packaging and dark bath towels. The kits are sent to areas of the world that suffer from natural disasters (such as Hurricane Katrina or the Haitian earthquake) or political unrest. Members of the congregation can help by donating any of these items this month and placing them in the box across from the library. Monetary donations can be given to the office to help purchase items or to pay for shipping.

Thank you to Thrivent for providing \$250 seed money for this event to help with the mailing and to purchase items needed to help complete kits.

**From the Transition Team:** The Assessment Team will be meeting in the near future. You will be receiving via email and USPS mail a Congregational Assessment Survey. This is to evaluate what everyone wants in a new pastor.

We need EVERYONE to complete the survey and return it as soon as possible.

## REMINDER

Our Thrift Shop is open:  
Fridays - 9:00 am - 3:00 pm

We welcome Elaine DiChiara to our  
team of volunteers!

## BEQUESTS

### How Will You Distribute God's Money?

God calls upon us all to make use of the gifts he bestows upon us in both our life and beyond it at our death. It is both appropriate and right to remember Christ Lutheran in your Will. Through your Will you can return a portion of what is left after you die to Christ Lutheran as your contribution towards the continuation of its ministry. Many others have done this before you. A suggested amount is the Biblical tithe, or 10% of your estate. Those without children might well consider more. Please speak with Pastor (631-720-6129) on how you might provide for Christ Lutheran's future.

### A new monthly series: Christ Lutheran Wantagh History

Susan Beck designed and created the Easter altar frontal for the Geestmann Family, in memory of Peter Geestmann. Design elements include:

Boat - a symbol for the church; the music clef staff on the boat represents the first few notes of "A Mighty Fortress."

Loaves & Fishes - Jesus feeding the 5,000 with loaves and fishes

Butterflies - symbol for the Resurrection

Calla Lily - symbol of Resurrection that transitions into flames for the giving of Holy Spirit on Pentecost  
Flames - symbol of Pentecost - flames in the form of initials P.G. (Peter Geestmann), whom the frontal memorializes.

If you have a treasure of Christ's rich history you'd like to share, please email [church@clcwantagh.org](mailto:church@clcwantagh.org).

# Spring

## April Nursery School News

March was such a busy month filled with learning and celebrations at the Christian Nursery School! We celebrated Lutheran School Association Spirit Week at the nursery school. We started the fun off with Sports Day where the children dressed in their favorite sports team. Next up was Pajama Day! I can't think of a better way to spend the day but in cozy pajamas with some good friends. The children enjoyed a class of "Music and Movement" where the children all got up and danced their little hearts out! They truly enjoyed making music with their hands and instruments! We ended the week off all wearing blue and enjoying some yummy ice cream treats topped with blue sprinkles!

On St Patrick's day we all wore green and brought home many leprechaun, rainbow, and shamrock crafts. We had class parties and enjoyed green bagels and many green treats! The children had a special little visitor too! A pesky, little, mischievous fella! We tried to catch him in a leprechaun trap but he managed to get away; but not without getting into some trouble first! The children were excited to see the mischief our leprechaun friend had gotten into. From tiny footprints on the floor to messes on the desks!

Now that Spring is here and the nicer weather is upon us, the children love getting outside to play and explore the nature God has created that surrounds them everyday.

We ended the month learning the true story of Easter. The children enjoyed hearing stories all about Palm Sunday, Good Friday and Easter Sunday. They created beautiful crafts to take home of Crosses, Easter Eggs and lots of Bunny pictures. Each class celebrated with an Easter party filled with sweet treats and yummy pizza. They all learned new holiday songs that they were so proud to sing for their loved ones at dismissal. The children were beaming with excitement while they hunted for Easter eggs and Easter baskets with their classmates.! It was a beautiful fun filled way to end the month and begin the celebration of Easter.
