Mr. Mittens

*Soon wintry winds will blow;
Jack Frost will nip your nose and your toes.
But worst of all, your hands will be cold!*

MR. MITTENS will be in the Narthex once again welcoming gloves and mittens also hats & scarves in children's sizes to be delivered to Nassau University Medical Center. Mr. Mittens will make his first appearance on **Sunday - November 1 through Sunday - November 29**. Please remember to put your new or gently used

Children's Books for Christmas

The Christian Outreach Committee is asking for *new children's books* to give (along with the gloves, mittens, hats & scarves we collect for Mr. Mittens) to the Nassau University Medical Center. They are also accepting **Turkey Vouchers** (from King Kullen and other supermarkets) if you have more than you can use. Let us share our bounty with all!

Seafarers Christmas Program Christian Outreach Project

Again Seafarers & International House will supply us with specially decorated satchels in which we can place the gifts we collect for the "Christmas-at-Sea" program.

We will be collecting the items listed below to make up gift packages for the Seafarers. These gifts will be distributed by the Seafarers and International House to the seafarers who will be spending their Christmas in the middle of an ocean far away from their own families and friends - just another day alone at sea. Our "gift tree" will be in the Narthex with the gift suggestion tags on it from Sunday, November 1 through Sunday, November 29. If you are interested in participating, just pick

below. You can choose to donate one or more items on the list.

Donations can then be placed in the box marked "Seafarers" on the table in the Narthex no later than November 29.

Each satchel will contain:

- 1 Sweatshirt - hooded or no hood (size L-XL)
- 3 Pairs of socks - thermal or white gym
- 1 Casual pullover T-Shirt (sixes M-L)
- 1 Knit Winter Cap
- 1 Can of nuts or 1 large chocolate bar
- A signed Christmas card from you.

(Please keep in mind that most of the seafarers are men - please no substitutions - each satchel should be comparable for each member of the ship's crew. Thank you)
